

**Bancroft IB World School  
Site Council  
September 24, 2018  
5:00 – PTO  
5:30 – Site Council**

**Purpose: Revisiting**

*The role of the Site council is to provide the collective leadership that helps the school to identify and set annual and long-term mission, vision, and goals. The Site Council will assist in determining strategies for achieving the goals. The Site Council will assist in developing the School Improvement Plan in conjunction with the instructional team. This includes measuring and analyzing school data; establishing and focusing on goals, reporting progress; communicating with the school community; and setting proprieties for and finalizing the allocation of resources. The Site Council will also partner with families and others to examine existing school policies and practices in order to improve and support student performance and building school community.*

**Duties:**

*To facilitate shared decisions through parent and staff representation to achieve high quality education for our children and a positive, supportive and responsive educational environment for students, staff and parents.  
Council members will attend meetings during the school year (about once a month) in order to propose, discuss, make, publish and implement decisions and policies pertaining to the goals, directions and activities and pedagogical methods of Bancroft IB World School.*
